Our School

The shake-down cruise is over; the vessel of education is now under steam for its second year. Many of the kinks to be found in anything new have been worked out, and the process of education continues within this magnificent structure.

The first class of seniors was graduated from this building last year. A full year of extracurricular activities was carried out. The building was not all that was new last year. New courses, new clubs, new sports, new instructors, new rules, new freedoms—all were typical of the transition period. Now that period is passed; we may now move forward to new heights in all endeavors, confident that the facilities afforded by our school will enable us to receive the best in education. Buildings, of course, do not make pupils; but buildings may help pupils become students by affording them the opportunity to advance in many areas. We feel our school can and will do this.

Dedication

JENNINGS D. JOHNSTON

With fondest memories we, the Class of 1960, dedicate this year-book to Mr. Jennings D. Johnston, who suddenly passed away Sunday, September 20, 1959, while he was showing our new school to some of his relatives and friends.

As a member of the school's maintenance staff he had become invaluable to the students, faculty, administration and other staff members. He was very cheerful, friendly and willingly helpful to everyone.

Mr. Johnston will be remembered by all with sincere affection and respect.

FRANK E. EHRENFELD, B.S., M.S.

Supervising Principal

It is with pleasure that I extend to the members of the class of 1960 my congratulations in attaining graduation which is but a beginning in life's broader fields. Much that you have gained in these formative years will clear the way for success in your future endeavors.

The truly educated person has learned a sense of justice, duty, truth, honesty—not only because it is the best policy, but because it is right. We hope that your high school education will aid you in the realization of these qualities as you travel life's road.

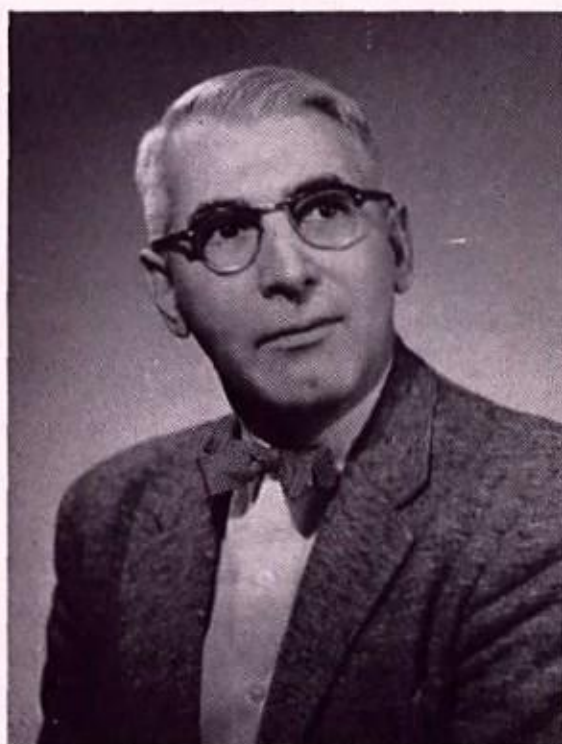

M. S. HANCOCK, A.B., M.Ed.

Senior High School Principal

In this day of wonders, a high school education assumes a new and deeper significance. We can point with pride to all of the great accomplishments of the past but we must also be aware of the challenges of the present.

It is only through the solid foundation of a thorough education that you can hope to meet those challenges. There is no easy way to this meeting, but rather it means that each one must use the ability with which he is endowed to the greatest extent possible.

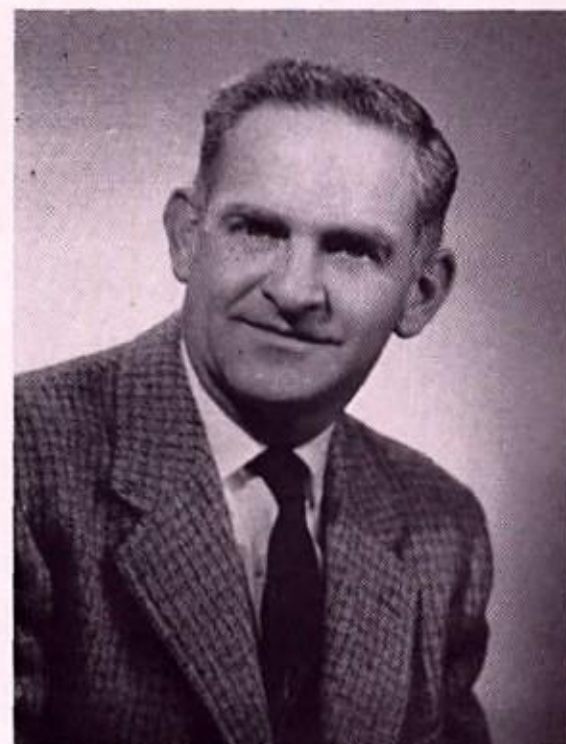

Your high school education is not an end in itself, but rather the means to an end. The diploma you receive is a testimonial that you have availed yourself of the opportunities presented to a reasonable degree. You, yourself, know whether you have made the most of those opportunities.

EDWARD J. GRUNDY, B.S., M.Ed.

Director of Curricula

Many roads stretching into the future will loom ahead for each of you who has successfully completed the requirements for graduation. None of these roads will be entirely free from detours regardless of your planning. It is hoped that the training received in the Philipsburg-Osceola Area Schools has helped to prepare you to confront these obstacles as you meet them on Life's highways of tomorrow.

P. M. E. A. District Band

**Guest
Conductor**

**Leonard B.
Smith**

The District Band Festival of the Pennsylvania Music Education Association was held in our school on February 11, 12, 13. Students from schools in the Central District competed for "chair" positions in the district band.

Families in the Philipsburg area served as hosts for the visiting band members by providing them with lodging and breakfast. All other meals were served in the school cafeteria.

The guest conductor this year, as in 1956, was Leonard B. Smith. Mr. Smith is a famous

cornet soloist, composer and conductor. In addition to conducting the high school musicians, Mr. Smith played some solo numbers at each of the three concerts.

Public response to the concerts was evidenced by the full-house at the afternoon and evening performances. A dance was held for the participants in the school gym. All in all, the Festival this year was a great success due mainly to the hard work of Mr. John Manner, Local music supervisor.

All Class Play

"Time Out for Ginger"

All those on hand for the kickoff of the first All Class Play were really cheering about "Time Out For Ginger," a story of a girl whose main desire in life was to be a football player. Her ambition led to many complications. Her father was in danger of losing his job, her sisters rejected the unacceptable extracurricular activity; her boyfriend refused to take her out and fight society.

The long suffering Mother and Father, the exuberant Ginger, the sophisticated sisters, the patient boyfriend, the arrogant captain of the football team, the flighty maid and the staid banker and high school principal are all characters that will long be remembered.

All in all "Time Out For Ginger" scored a touchdown with the audience!

"MURDER IN A NUNNERY"

Our second all-class play, **Murder in a Nunnery**, was presented on April 22. This "who - nun - it" was a spine-chilling thriller complete with a dead body, an expert knife-hurler, a "floating apparition" and all the other elements that go toward keeping an audience in suspense. Even the members of the cast didn't know who the killer was until the last moment, since the last scene of the third act, the one that "tells all," was removed from the script before tryouts. Everyone had a great time trying to deduce just who was the guilty party.

Murder in a Nunnery presented quite a challenge to the technical crews as well as the actors. Many scene changes were necessary; costuming was unusual; and the lighting was very tricky to handle.

In spite of the hard work, a good time was had by all who participated in the show.

"Outstanding Team"

The record of the 1959 Mountaineer football team reveals only cold statistics; the real feeling of this team is apparent in this remark made so often by head Coach Moore: "The best group of boys I have ever coached." This is real praise coming from a man who has coached many successful teams.

Recognition for the team's consistent good play came when the Central Counties League and the District both named the Mountaineers as the area's "Outstanding Team."

Individual plaudits for both coach and players were not lacking either. Honors achieved by team members are recorded on page 93 of this book under Special Recognition.

FOOTBALL

Although the 1958 Mounties got off to a slow start this year, they rapidly picked up speed to post an 8-1-1 record. Their season was climaxed by an impressive victory over previously undefeated Lock Haven High School. For their continued improvement throughout the year, the team was selected as one of the outstanding teams in the Central Counties.

Individual honors were awarded in the following manner: All Central Counties Team—Larry Wise, Ted Kasubick, Steve Jusick; All District Team—Larry Wise, Ted Kasubick, Steve Jusick, Fred Gustkey, Norman Demchak. All District "Coach of the Year"—Robert "Tut" Moore; All District Outstanding Back—Larry Wise; O.P.I. All State Team—Larry Wise, third team; Ted Kasubick—Honorable Mention.

A special note must be made of the outstanding playing of the Mountie fleet-footed halfback, Larry Wise. Larry carried the ball 132 times and picked up 1,323 yards, for an average of 10.2 yards per carry. In addition, he scored 121 points—20 touchdowns and 1 extra point. For his excellent work Larry was named to a first team position on the Associated Press All State Football Team. He was the first ever to be so honored from our school.

The 1959-60 edition of the Cagers finished one of their best seasons by posting a 13 won

and 9 lost record. The local foul-shooting trophy was won by Fred Craig, who had an average of 70%. Fred Craig also climaxed his three year varsity career by scoring 40 points against Tyrone, the highest number of points scored by a player from our school. Fred's three year total was 1,176 points, also a new school record.

Another feather in Fred's cap came when he captured scoring honors in the Mountain League by scoring 305 points. He was also named to the "All Mountain League Team."

WRESTLING

The varsity wrestlers wound up the season with a 6-4 record against some of the strongest teams in the state. Jack Williams (103), Jerry Twoey (120), and Henry Patterson (145) captured championship titles in the District 6 Tournament which was divided into two sections this year. All three boys advanced to the Regional Tournament at Altoona on March 12. Twoey and Patterson captured Regional titles and earned the chance to participate in the State meet on March 26.
